Level 3 DVC 2024: Proposal for the year.

Please consider and answer the following questions:

1. Name up to 5 design contexts / programmes / functions that interest you for your project

2. Explain any themes or ideas you may want to explore in your project. These might for example include sustainability, community focused architecture, socially conscious architecture, interactive, experiential architecture etc. Consider ideas such as manaakitanga, whanaungatanga, unity, or togetherness.

3. What sort of modes are you most interested in using in your project work? For example, mainly drawing, mainly digital, etc.

4. What sort of ideation or starting points do you think you'd like to try?

5. How would you describe in your own words the type of project you'd like to do this year, use as much detail and reason as possible

6. Any questions or other things you'd like to ask or explain?

7. Please add images, examples, links etc. below that show anything that you are inspired by, or any ideas you think could be relevant for you project.
